The screenshot shows a job listing on the JobsDB by SEEK website. The header includes the JobsDB logo, navigation links for Profile and Career Advice, and buttons for Login, Sign Up, and For Employers. The main image features three people in a professional setting with the text "Learn. Enjoy. Achieve." and the Wall Street English logo. Below the image, the job title "Analyst Programmer/ Senior Programmer (5-days Work)" is displayed, along with the company name "Wall Street English", location "Kwun Tong", and posting date "Posted on 11-Feb-22". A prominent pink "Apply Now" button is visible. The "Job Highlights" section lists: "Attractive remuneration package", "Excellent promotional growth opportunities", and "Modern and international working environment". The "Job Description" section is partially visible below.
